Everest Re Group, Ltd
Bernards,NJ

When I discovered the data warehouse internship with Everest Re Group Ltd on handshake, I was excited by the opportunity. As a junior majoring in Computer Engineering at University of Buffalo, I enjoy learning and working on this field. My coursework and campus involvement have prepared me well for this position. I have taken coursework's such as data structures, embedded system, real time operating systems and many more which would be efficient in such field.

I have experience with Java, Python, C and assembly language like MIPS and ARM. This knowledge will be an asset to this position. I would be thrilled to learn more alongside other members.

My enclosed resume expands on my coursework, employment, and campus involvement. As I prepare for a career in computer engineering, I am dedicated to gaining practical experience to complement my coursework. Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Saugat Bikram Khadka
